Chef de Gare's Corner

Dear Voyageurs,

What a long, bumpy ride it has been being the Chef de Gare since January of 2020. In no period of our Voiture's existence have so much change and challenges occurred. The only way we moved forward was working together for the good of our Voiture. At several times the path forward was not a clear or easy, and tough decisions had to be made. Those decisions were made by the entire Cheminot and brought to the Promenade as required. My job as Chef is not to be everyone's friend, it is to facilitate the smooth operation of our voiture in its several aspects. I have taken the public criticism offered, most of it non-constructive, and have had to make the best of the situations I have found myself in. By the way that several of the members have been treated by doing his or her job to the best of his or her ability, it is no wonder we are not attracting new members, nor encouraging new members to take on leadership roles. I have taken the high road many times when dealing with members, when public censure was warranted, I chose NOT to do what has been done to me.

I would highly encourage every voyageur to read our constitution, by-laws, and policies and procedures, especially those in

Correspondants Notes

Could someone please tell me where July went. It feels like just a day or so ago we were celebrating the 4th and now it's August. And with August, the 40/8 kicks off the 2022 Membership Year drive.

The new 2022 membership cards are in and will be available at the Chateau on Thursday, Friday at breakfast and Saturday afternoons. I will also have them available at the Cheminot. Our dues have not changed and are still only \$30.00 per-year. We are trying to make the process of renewing your dues as easy and convenient as possible. We can take cash, check, and now Visa or Mastercard's. If it's more convenient you can mail in your dues directly to the Chateau and I will have them processed within a day or two and mailed directly to your home.

I know that I say this every year, but it bears repeating. Our goal is to have everyone renewed for the 2022 membership year prior to December 31st.

Put a big red star on your calendar on August 21st. That is the date of our annual picnic this year. Jim Resleff will need a few good men and women to help set up and take

the Cheminot and Committee Chairs. If you have questions, please ask someone in a leadership position will have the appropriate answer. Please know that the answer you receive may not be the one you want to hear. The leadership of this voiture is only human, at times we make mistakes, come across as blunt, but deep down every decision is made for the best outcome for the future of this voiture, be patient and understanding. Trust me, the folks at the top do not want to make every decision, nor do we want to come up with every solution. An active membership with an involved Cheminot can help make voiture 99 run smoothly. Please choose to be an active member, and let your voice be heard.

The Grande Promenade is right around the corner on the 7th of August. All members are invited to attend! We have the opportunity coming up to enjoy the all-membership picnic coming up on August 21st. I'm sure more details will be forthcoming, but please put it on your calendar. Plans for the Labor Day Sam Grooms Veterans Memorial Car Show are well under way. I'm sure more volunteers are needed to make this a success. Please contact Earl Edwards, Cliff Taylor, or Ron Fryer if you are able to help in any capacity, even shifts of only two hours would be very helpful on this busy day.

Leadership is not about being in charge, it is empowering those in your charge to become the best they can be.

Yours in Service to the Voiture,

care of the cleanup afterward.

Earl Edwards and his team are putting together what appears to be a fantastic Labor Day Car Show. This is our annual fundraiser (and now membership drive) for our Veterans Assistance Program. So plan to stop by both events and enjoy the good food, prizes, raffle drawings, good company and great looking vintage cars.

MY STORY

MY STORY: Jim Resleff (don't know if spelling is right), joined the 40 & 8 August, 1984. He was sponsored by Gordie Richmond. Jim is an Air Force veteran. He is one of the longest living members.

He recalls the time when the Voiture met downtown at the old American Legion building, and when the LOCI was housed at Pearson Air Park.

Bruce Jensen and Jim put the kitchen together at the Chateau. Jim manages the kitchen. He is a man busy working behind the scenes.

Often you will see Jim outside working the on the LOCI. He is the key person, who has kept the LOCI maintained and running all of these years. Jim's favorite trip is the Christmas run to Randall's Children Hospital, followed by a stop at Frito Lays to pick up Santa and take him to Open House Ministries where families are waiting.

THANK YOU JIM FOR ALL YOU DO FOR US!

The historian is looking for a tall book case in (good condition) to hold the albums that have been collected. They will be featured in the box car. Contact Dixie at (360) 953-8218 or drop it off at the 40 & 8.

SHARING HISTORY

Since the Bingo Hall has been emptied, stacks of photographs, forms and history are stacked up in the Box Car. Hopefully I will be sifting through the 'treasures' in September. . You are invited and welcome to help. More than eighty years of memories need to be viewed. The question is: What to keep and what to toss!

The operative word is HELP! You can reach me at 360-953-8218 or rebel2@comcast.net. Together we can get the job done.

Merci,

Dixie Lee Hotaling - Historian

Gone Fishing

The rain was pouring and there was a big puddle in front of the pub just outside the Navy base. A ragged old Marine Gunnery Sgt. was standing near the edge with a fishing rod, his line in the puddle.

A curious young Navy fighter pilot came over to him and asked what he was doing.

"Fishing," the old guy simply said.

"Poor old fool," the Navy officer thought and he invited the ragged old Marine into the pub for a drink.

As he felt he should start some conversation while they were sipping their whiskey, the smart-ass fighter pilot asked, "And how many have you caught?"

"You're the eighth," the old Marine Gunny answered.

Don't Worry

This Sergeant worried about everything. Then one day the other Sergeants in his unit heard him whistling happily and looking noticeably relaxed.

"What happened?" they asked him in astonishment.

He said, "I'm paying a private to do all my worrying for me."

"How much do you pay him?" they asked.

"Two thousand dollars a week," he replied.

"Wow! How can you afford that?" they asked.

"I can't," he said. "But that's his worry."

Military Kids

What do you call kids in the military? Infantry.

Real Estate

The reason the Air Force, Army, Navy, and Marines bicker among themselves is because they don't speak the same language. For instance, here's what happens after they secure a building:

The Army will post guards around the building.

The Navy will turn out the lights and lock all the doors.

The Marines will kill everybody inside and then set up headquarters.

The Air Force will take out a five-year lease with an option to buy at the end.

Share Backpack Program

Put Protein First!

Shelf-stable, protein-rich foods are the single-best food items to donate. Peanut butter, canned or easy-open meats (chicken, tuna fish, ham, etc.) canned chili and high-protein soups are easy to transport and simple to prepare.

These items are not only nutritious, but are also ideal for families who do not have access to a stove for cooking, as they can be heated in a microwave. Below are some examples of needed items:

Donations can be delivered to the Share Fromhold Service Center, 2306 NE Andresen Road.

Note: Share does not promote or encourage the purchase of the name brand items shown above; the photos are solely intended as a representation of the types of food items needed.
