Hope that all of you have an enjoyable summer. Know that some of you will travel a bit & others not so much. Either way, make the most of it and ENJOY!

This month we'll be hosting the Grande du Washington Promenade. Would love to see everyone participate if possible. (That is an invitation to everyone!) Friday evening will be a nice social. Saturday will be a full day with the Cheminot, Wreck, Prom and then dinner! That'll be a fun, busy day! Get your registration form in the Chateau if you don't have one yet. I think the Mustang Stampede Car Show is this month too. Earl Edwards can probably use a few extra hands with that show. I know that if he doesn't, you could be of great service in the Chateau helping Jon & Darcy. Remember that this is one of our HUGE fundraisers for the year!

If you haven't been in for lunch yet, do it! Jon & Darcy keep nailing it and your support is encouraged.

Need to split.

Wishing you all good health and enough wealth!

Confido,

Todd "T-Bone" Boyd,
Chef de Gare

Bonjour comrade Voyageurs!

I really do hope you are well. No joke.

As soon as I shoot this off to Voyager Hauser, I'm off for emergency grandparent duty up in Seattle. Will miss tonight's Cheminot, but I know that our new Chef de Tran, Ed Laintz, will perform admirably. Nothing like jumping straight into the fire, right Ed?!

WOW, only In the Pacific Northwest

Y'all will not believe what happened this morning. So I pulled into the gas station to get some gas & A snack. When I was walking in to pay, I noticed a Sheriff Deputy parked on the side of the building. He was watching this woman who was smoking while pumping gas.

But anyways, I saw her & thought this lady is crazy. I went inside and got my Snack & paid for my gas. As the cashier was giving me my receipt, I heard somebody screaming. I looked out the door & the woman's arm was on fire! She was swinging her arm & running around like crazy! I ran outside to assist the Sheriff Deputy who had JUST put the lady on the ground & was of course putting the fire out with his coffee!!

Then he handcuffed her & threw her in the Patrol car. LOL. I was thinking "What kind of person smokes WHILE PUMPING GAS & think nothing's gonna happen?! Just dumb!

So being the inquisitive person that y'all know I am, I asked the Deputy what he was charging her with. Y'all he looked me dead in the face & said, WAVING A FIREARM

And just because I have space

One more

An elderly man rear-ended a guy driving an expensive sports car. Enraged, the guy hops out and confronts the old man. "Look what you did to my car" he yells. "You're going to give me \$10,000 right now or I'm going to beat you to a pulp!"

"Oh my" says the old man, "I don't have that kind of money. Let me call my son, he trains dolphins and he will know what to do." "Dolphins" the other driver huffs, while rolling his eyes. The old man pulls out his phone, dials his son and just as his son answered, the irate man snatches the phone away from the old man.

"So, YOU'RE a dolphin trainer, huh? Well, Your old man here just rear-ended my car and I need 10 grand right now or I'm going to beat you AND your old man to a pulp."

"I'll be there in 10 minutes," says the voice calmly on the other end. Exactly 10 minutes later a Jeep pulls up and a guy hops out and proceeds to pulverize the bully, leaving him in a heap on the side of the road.

When he finished, he walked over to the elderly man and said.... "For the last time dad, I train Seals, Navy Seals.....NOT dolphins!"
